10. [ ] met with Congressman James D. Weaver (R., Penn.) on the speech he had provided last evening for Agency security and fact review regarding the Soviet Space Program. Although no security questions presented themselves, there were several erroneous statements of fact on items on which the Congressman had previously been briefed. Dr. Weaver was most appreciative of the Agency assistance provided.

11. [ ] Met with Congressman Harold N. Collier (R., Ill.) regarding his letter to Mr. McCone concerning editorials appearing in the [ ] Congressman Collier appreciated the Agency's inability to comment on this matter and indicated that he would construct an appropriate answer to his constituents pending development of further unclassified information either within the Executive or Legislative Branch which he could use to respond to his constituents. (See Journal item of 24 March.)

12. [ ] met with Mr. Samuel Archibald, Staff Administrator, Moss Subcommittee, who advised that preparations for Committee hearings on the use of the polygraph are progressing quite well. He noted in passing that an AEC study (323/16 April (?) 1953) has been identified to the Committee. This study found against further continuation of the use of the polygraph for personnel screening within AEC and could provide a basis, if desired by the Committee, for recommending against the use of the polygraph for personnel screening in the Federal Government.
